TERM 2 JOEY BADGES!

Environment Challenge

The whole Joey Scout Mob participates in four simple environment tasks to help develop an appreciation and respect for the natural environment and a sense of responsibility towards it.

The tasks may include activities such as;

- Learning about native birds and animals, learning about native plants, collecting seeds and planting the seedlings,
- Learning about conservation and identifying weeds and pests
- Recycling and re-using, and cleaning up litter
- Participating in an environmental activity such as 'Clean up Australia Day' or 'Murray Darling Rescue'.

Their Service - Our Heritage

This badge is earned by attending events that are a part of ANZAC remembrance.

Usually, participation in your local ANZAC memorial march, or attending the Dawn service in Joey Uniform, is enough to qualify.

This badge can ONLY be worn for the year it is presented, and MUST be removed from your uniform around the following ANZAC day. Each year the edging colour is different, which means a new badge can be earned each year, in all sections of scouting.

Uniform Badge Placement - "The badge is to be worn on the right sleeve as a specialist badge." This is consistent across all youth Sections and for the Leader uniform.

Bring A Friend Badge

This badge can be earned by any Youth Member, and it can be earned multiple times too!

To earn this badge a Joey Scout must:

Bring a friend (not a current member) to at least 3 meetings/activities

- during which the Joey Scout (and their Leaders) teach the friend a simple Scouting skill.
- and the friend learns something about the next Section (e.g. coming to the Joey Scout Mob and learning about Cub Scouts), which could simply be who they are, what they do etc.

That's it! Your friend does not have to join Scouting in order for you to earn the badge. We rely on our Joey Scout program being exciting enough to encourage them to join us.

The first Bring a Friend badge you earn goes on your uniform. However, if you bring more friends, you can earn more badges - additional badges can be sewn onto your camp blanket or pillow.

Placement on uniform:

The badge is placed on the bottom of the left sleeve

The badge does not transfer to the Cub Scout uniform when the Joey Scout "goes up"; - As a Cub Scout, they will need to bring new friends.
