Fri 29 th Mar – Mon 1 st Apr	Hoadley Hide	Branch	Apply online. Details below

1. Anything Goes is a weekend long activity camp at Lardner Park, Warragul. It includes onsite and off-site activities and has been a staple on the Venturer calendar for years. For more details and to apply online, head to www.anythinggoes.net.au
2. Hoadley Hide is an annual Scouting activity (started back in 1952) and can be described as a "large scale" Initiative Course. The Hide is organised by the Victorian State Venturer Scout Council of Scouts Australia and runs over the Easter period from Good Friday until Easter Monday. Venturer Scouts and Guides from all over the state (and from other states of Australia) come to take part in this exciting activity that is a highlight of the Venturing year. Registration opens 11th Feb 2013. See <http://hoadleyhide.com> for more info
3. The Unit Management, Initiative and Leadership courses are being run over the above weekend. These are essential for the budding Queen's Scout, or those wanting to pick up the reins at Unit Council.
4. The Abseiling Participant course is useful if you're seeking to undertake your Pursuits or Outdoors (1 or 2) Venturer award. Cost for the course is \$40. See facebook or Michael for more details
