### **Notes**

1. Movie/Sleepover night: This is a no-cost night and will involve some movies and pizzas at the hall on this Friday night. Bring your sleeping gear and settle in for a relaxing Friday night

2. Pool night: Another no-cost night, this time at the pool. Enjoy the longer days and the warmer weather

3. Killer Klowns: If you're keen, get online and register ASAP at <https://www.vicscouts.com.au/uploads/11/Course-flyers/MtDRLCApp2013.pdf>

4. 1<sup>st</sup> Upwey Group Camp: All Foresters and their families, regardless of what your home group is, are invited to spend the weekend together at Harkaway Scout Camp. Being so close to home we hope to have a great turn out

5. Dark Zone: A joint night with 1<sup>st</sup> Upwey Scouts and other local troops/units. Once again we'll have the place to ourselves for 2 hours. \$10 for Foresters, \$15 for friends

6. VG: Don't leave your application until the last minute. A great weekend to cap off the year at Gilwell Park. Applications will be available here (<http://www.vicgathering.asn.au>) early in 4<sup>th</sup> term

7. Urban Camp: During the school holidays we're going to take off to the city and camp overnight at the 1<sup>st</sup> Victorian Sea Scout hall on Albert Park Lake. We'll be visiting a bunch of places in town and doing a ranges of activities. Don't miss it! Cost TBA (Camping in the hall is \$5 per person, so it will be a cheap activity)

**IMPORTANT:** Please don't leave the planning of your night until the last minute. Let the Leaders know what you have planned at least 2 weeks before your night. Remember, you'll need to have a couple of games up your sleeve in case the activities on the night run quicker than anticipated.
